

Back to School

A warm welcome to all new and returning children and families entering our programs, and farewell to all those moving on. September is always a very busy time for us as we welcome new children and help everyone adjust to the back to school/childcare routines.

Please remember to label all of your children's clothing, shoes, hats, etc. This is so helpful to our staff, the kids, and the school district staff to keep your kids stuff together. Remember we do share a building with the school, we cannot keep track of it all.

Each child should have a pair of indoor shoes, (non marking) suitable for use in the gym. Although we try to go outside each day, there are days, when the gym is a better alternative. We ask that a spare set of clothes is provided for each child to that a change is available in case of "accident".

As we continue to go outside, please ensure your child is appropriately dressed for the weather.

COVID-19 Update

With renewed Public Health Orders, we ask that you ensure your child is healthy and does not present any symptoms of any illness. We will be continuing to send home any child that is showing symptoms of illness.

Masks continue to be mandatory for all adults entering the childcare centre. If you do not have one, there are some available at the door. We continue to restrict access, and ask that parents and guardians stay on the door side of the red line.

Please remember to let us know if your child will not be attending.

We will continue to ask you to keep your child(ren) home for any of the following:

- Knowingly been in contact with someone who is a confirmed case of Covid-19.
- If anyone in the household has come in contact with someone who has a confirmed case of COVID-19 or has been asked to self isolate for 14 days
- Has travelled outside of Canada in the past 14 days
- Is experiencing any form of illness. We must be extra cautious to prevent possible COVID-19 transmission in our center.

IMPORTANT DATES:

- September 6th: Labour Day
